IF YOU ARE RENEWING A SEASON TICKET FOR MORE THAN ONE PERSON:

If you are renewing season tickets on behalf of your son, daughter, relative etc; tickets will need to be purchased individually. This means you will need to log in to each account separately online to find the Season Ticket Reservation using the same process above. Alternatively a separate application form will need to be completed on behalf of the individual you are purchasing for and handed into the club shop.

As this is a new system, this will allow us to capture every supporter's details and allow us to link accounts going forward for next season to ultimately allow multiple purchases. We appreciate this may seem slightly time consuming initially but long term this will significantly improve supporter experience and ease of purchase.
